Dear Ranger:

In response to your letter dated November 15, 2011, we wanted to again explain that we are not obligated nor make it a practice to distribute governing documents (i.e. minutes) to non-paid members of the organization. We are not obligated to by law as a 501c6 organization and believe this precedence would not be in the organization's best interest.

Regarding Mr. Kroeger's resignation letter, we would suggest that you speak directly to him.

Thank you for your continued interest in NAPSA.

Sincerely,

*Kimberly A. Fantaci*
